VIOCE OF THE CIOCELESS (2ND COHORT MENTORSHIP PROGRAM)

Voice of the Voiceless is a non-governmental organization that was established by like-minded people in response to the needs of children in Liberia and as a way of establishing specialized mechanisms to advance the protection and welfare of children. To help strengthen society in making our nation and the world a better place; we are engaged in educating children, advocacy, awareness, charity, health care, and protection of children.

The essence of the mentorship program is to accelerate personal and professional development of students and educating them on their basic rights and responsibilities. Under the theme “Empowering the young through Skills Acquisition”.

For this year Mentorship program, we targeted about 400 students from different High Schools and organizations around Monrovia. With a little fee attached to it (\$30.00 usd per person).

The program will run for four months beginning from December 2nd 2023 to March 2024, with a short Christmas Break which take effects from the second Saturday of December to the last Saturday. We are expected to resume on the first Saturday of January 6th 2024. The Venue of the Program is Christ the King School Campus.

On the first day we with 170 students on the first day of the Program, December 2nd 2023.
